This aerial photograph shows a city street intersection. A road runs vertically through the center, and another road runs horizontally across the top. A diagonal road branches off to the left from the vertical road. Five numbered points are marked: Point 1 is at the top of the vertical road; Point 2 is at the intersection of the vertical and horizontal roads; Point 3 is at the intersection of the vertical and diagonal roads; Point 4 is on the diagonal road; and Point 5 is on the horizontal road.
