

## An architectural rendering of a modern building complex. The main building features a large, curved glass facade and a flat roof. A prominent curved walkway or ramp runs alongside the building, bordered by a series of tall, slender palm trees. In the foreground, there is a landscaped area with several large, rounded trees and a paved plaza. The overall design is contemporary and emphasizes clean lines and open spaces.

## GRUPPO DI PROGETTAZIONE

Arch. D'ALESSANDRO Arcangelo G.  
Arch. TORRACO Giuseppe
